

## Original Website:

The screenshot shows the original Naver login page. The browser's developer tools are open, displaying the HTML and CSS. The login form has a height of 100px. The CSS for the login button is as follows:

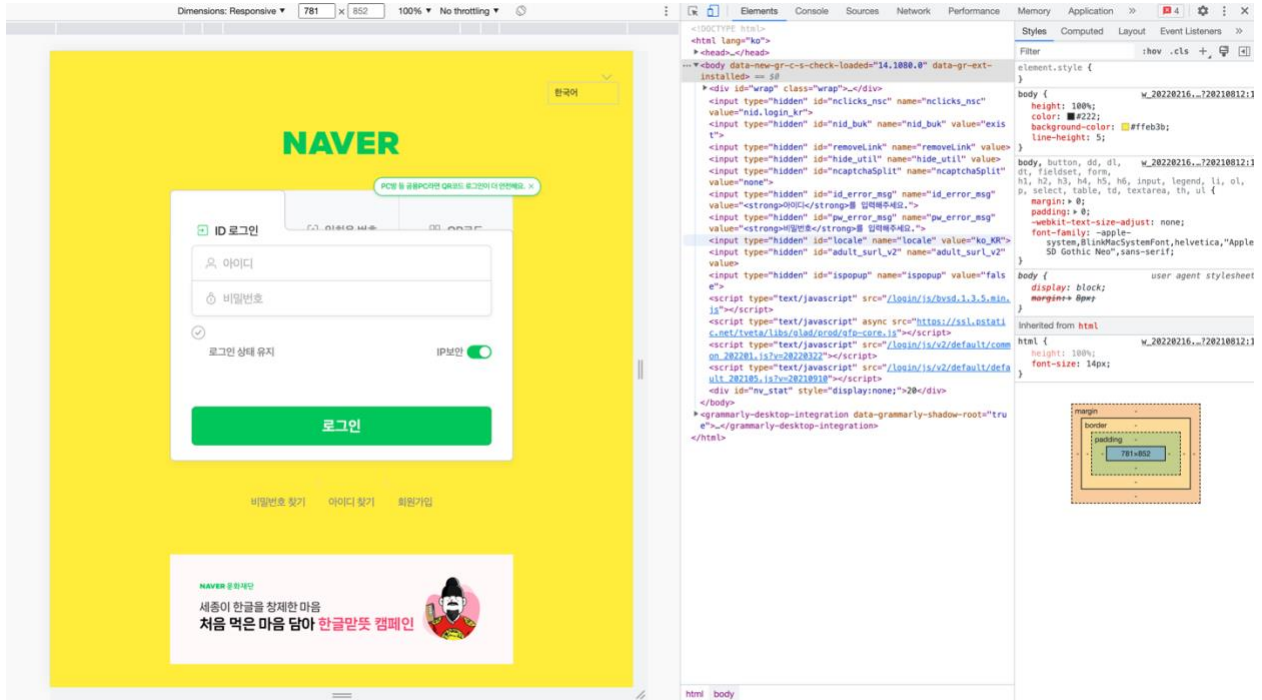

```
body { height: 100px; color: #222; background-color: #fff; }
body, button, dd, dl, dt, fieldset, form, h1, h2, h3, h4, h5, h6, input, legend, li, ol, p, select, table, td, textarea, th, ul { margin: 0; padding: 0; -webkit-text-size-adjust: none; font-family: -apple-system, BlinkMacSystemFont, Helvetica, Apple SD Gothic Neo, sans-serif; }
body { display: block; margin: 0px; }
```

## a. Line height changed

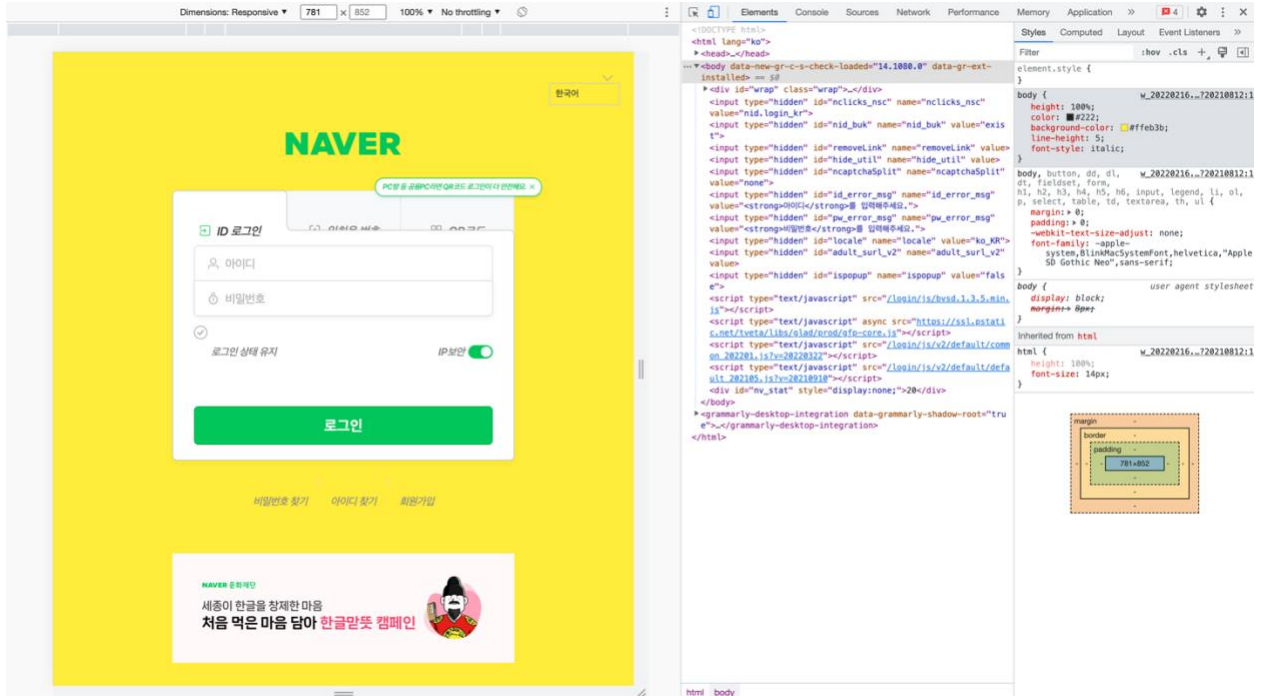

The screenshot shows the modified Naver login page. The browser's developer tools are open, displaying the HTML and CSS. The login form has a height of 100px. The CSS for the login button is as follows:

```
body { height: 100px; color: #222; background-color: #fff; line-height: 1.2; }
body, button, dd, dl, dt, fieldset, form, h1, h2, h3, h4, h5, h6, input, legend, li, ol, p, select, table, td, textarea, th, ul { margin: 0; padding: 0; -webkit-text-size-adjust: none; font-family: -apple-system, BlinkMacSystemFont, Helvetica, Apple SD Gothic Neo, sans-serif; }
body { display: block; margin: 0px; }
```

b. Background-color changed

c. Font-style changed

#### d. Font-size changed

The screenshot shows the Naver login page with a yellow background. The login form is white with a green '로그인' (Login) button. The font size of the text is visibly smaller than in the previous version. The browser's developer tools are open, showing the 'Elements' panel with the HTML structure and the 'Styles' panel with the CSS rules. The 'body' style shows 'font-size: 14px;'. A diagram in the bottom right corner illustrates the layout with a central box labeled '781x852' and surrounding margins and padding.

## f. Width changed

The screenshot shows the Naver login page in a browser window. The browser's developer tools are open, displaying the 'Elements' panel on the right. The 'body' element is selected, and its 'width' property is highlighted as 852px. A diagram below the code shows a box model with a width of 500px and a height of 852px. The page itself has a yellow background with the Naver logo and a login form. The form includes fields for ID and password, a '로그인' (Login) button, and a '비밀번호 찾기' (Find Password) link. The page is in Korean.
